

# Portable lighting

## Attestation

---

I hereby confirm that despite the absence of the filled Prior Informed Consent form, I have properly obtained consent and/or consent is not needed to document and share the contact details of the solution holder, as well as, document and share the details of the solution with interested third party/ies.

A handwritten signature in black ink, consisting of several overlapping, fluid strokes that form a stylized, somewhat abstract shape. The signature is centered within a large, empty rectangular box.
