

## AUTHORIZATION

### USE OF IMAGE, RECOGNITION AND DISSEMINATION OF THE SOLUTION/CREATION

Thank you very much for sharing your solution / creation with the United Nations Development Program (UNDP) Acceleration Lab. in Algiers, Algeria.

As indicated, we believe that local solutions could catalyze social transformation and therefore the dissemination of these experiences is important. Please, I appreciate your response to the following questions:

<b>Individual / Collective name</b>	How would you like your name or that of your organization / community / association / collective to be published?	<b>Par le biais d'un logo ou le nom donné à mon projet "Eco'Sav"</b>
<b>Image</b>	What images / photographs do you authorize us to use to publicize this solution / creation?	<input checked="" type="checkbox"/> All photos related to the project. *Some photos shared by the project team. <input type="checkbox"/> No photos at all.
<b>Acknowledgment</b>	Does this solution / creation have intellectual property or alternative licenses (creative commons, copyleft, copyleft or others)?	<input checked="" type="checkbox"/> Yes * No <input type="checkbox"/> Other (specify):
	If you do not have licenses, how would you like the recognition of the initiative to be reflected? Is there a name, person that should be highlighted?	Des associations qui luttent contre la pollution possible
<b>Disclosure</b>	You authorize the disclosure of your solution/project in the following official UNDP channels: <input checked="" type="checkbox"/> Official website (news or blog section) <input checked="" type="checkbox"/> Facebook <input checked="" type="checkbox"/> Twitter <input checked="" type="checkbox"/> LinkedIn <input checked="" type="checkbox"/> Instagram *Platform of solutions for development	
<b>Other considerations</b>	/
