

AUTHORIZATION

USE OF IMAGE, RECOGNITION AND DISSEMINATION OF THE SOLUTION/CREATION

Thank you very much for sharing your solution / creation with the United Nations Development Program (UNDP) Acceleration Lab. in Algiers, Algeria.

As indicated, we believe that local solutions could catalyze social transformation and therefore the dissemination of these experiences is important. Please, I appreciate your response to the following questions:

Individual /Collective name	How would you like your name or that of your organization / community / association / collective to be published?	The name of the brand: Grifado
Image	What images / photographs do you authorize us to use to publicize this solution / creation?	✓ Some photos shared by the project team.
Acknowledgment	Does this solution / creation have intellectual property or alternative licenses (creative commons, copyleft, copyleft or others)?	<input type="checkbox"/> No
	If you do not have licenses, how would you like the recognition of the initiative to be reflected? Is there a name, person that should be highlighted?	It could be recognized through " branding ", and the name of the Founder and co-founder
Disclosure	You authorizes the disclosure of your solution / project in the following official UNDP channels: ✓ Official website (news or blog section) ✓ Facebook ✓ LinkedIn ✓ Instagram <input type="checkbox"/> Platform of solutions for development
