

Prior Informed Consent

The UNDP Accelerator Lab maps the solutions and/or innovations for/from grassroots, design experiments to test ideas and explore opportunities for policy and institutional change. The UNDP Accelerator Labs try to encourage the exchange of knowledge, solutions and ideas among the innovators and the concerned stakeholders including policy makers within the country but also across the globe to support achieving the Sustainable Development Goals (SDGs).

It is necessary for the UNDP Accelerator Lab to obtain written consent (or video authorization) to document your contact details and the solution in a global Solution Platform and potentially share these with interested third party/ies, including other innovators and communities. Signing this form will allow the UNDP Accelerator Lab to document and share the solution.
